FVP NEWS...

Welcome To The New Monthly Bulletin!!!

Here at the FVP (Family Violence Program) we are so excited to introduce our new electronic monthly bulletin. Through this bulletin we hope to be able to better inform the community of program happenings, program needs, and important events.

This bulletin will be distributed at the first of every month to those who are interested. Our regular program newsletter will continue to be sent out as usual. We are still working out some of the kinks of this project so if there is a problem with the e-mail you receive please bear with us and let us know what we can do to help!

For more information about this e-mail or to add a name to the mailing list, please contact Elizabeth Gates: 479-9339 ext. 22

National Domestic Violence Awareness Month

As many of you already know the FVP was quite busy in October, which is National Domestic Violence Awareness Month. We held and participated in many community events in honor of those affected by domestic violence and in order to increase awareness about important family violence issues.

We would like to sincerely thank all the programs, organizations, and individuals that helped us out with these projects and let us join them in their own activities. We look forward to working with you next October!

Activities for Sexual Assault Awareness Month, which is April, are already in the works—stay tuned for further details!

We cannot even begin to say how much we appreciate the numerous volunteers we have had over the years! The great support we receive from this community has enabled us to continue meeting the varying needs of our clients. We thank you deeply.

We would like to announce at this time that we will hold another Volunteer Training in January, 2007. All Trainings will be held at the main FRA Office and will begin with Volunteer Orientation on **Thursday, Jan 18th at 5pm**. Volunteer Training will be held the following week on **Tuesday, January 23 and Thursday, January 25 from 5pm to 8pm both nights**.

All those interested must complete 8 hours of training before being able to do any volunteer work. We really appreciate those volunteers who are dependable and responsible and would be willing to commit to about 6 months of service. An initial interview will also be requested.

For more information about volunteering, please contact Sherry Hayes: 479-9339 ext. 15
